

AFTERNOON SERVICE: 2:00 p.m.

Welcome & Prayer

The meeting this afternoon is intentionally designed to have flexibility in format!! The focus of the gathering is to recognize the amazing way God has had His hand on the work of five Baptist Churches over the past 125 years. Reminiscing is a great way to be reminded of the broad impact of the Gospel being taken to homes in this area as well as to the ‘uttermost parts of the world’. However, the greater purpose today is for encouragement and to be a springboard for continued proclamation of the Gospel of Jesus to the world.

Our observance today will include Scripture, Prayer and a Challenge of moving forward.

Several ‘Greetings’ will be presented from friends who are unable to be here in person, some of these will be read, others will be presented via media format.

During the course of the afternoon there will be moments allowed for personal remarks.

Music, the strong heritage at M.B.C. continues as we enjoy some favorite hymns and choruses.

- #56 To God Be The Glory
- Ancient Words
- What The Lord Has Done In Me
- How Great Thou Art
- Be Thou My Vision

=====

Final Event: Anniversary Cake & Ice Cream
