## Missionary/Church Planter of the Week

**Kristi TenClay, NAB Missionary, Cameroon.** Kristi has been serving in Cameroon since 2010, where she teaches missionary kids and international students at Rain Forest International School in Yaoundé. For the past two years, Cameroon has been in the midst of political unrest, mostly in the English-speaking areas of the country. Yaoundé, being the capital, is one of the safer areas of the country, which means families have relocated there to escape the unrest. New missionary families, as well as Cameroonian families in the area, have applied to have their children attend the school. This influx has created a few gaps that have so far been covered by volunteers. **Pray** for additional teachers because of the increase in the number of students but also due to a number who are nearing retirement age. Keep the nation of Cameroon **in your prayers** as well. For more information, visit [nabonmission.org/missionaries/kristi-tenclay](http://nabonmission.org/missionaries/kristi-tenclay).
